

Amendments to the Drawings:

The attached sheet of drawing includes Fig. 1A, which was inadvertently omitted in the filing of the present application.

Attachment: New sheet including Fig. 1A.

Remarks

The present application is a continuation of a non-provisional application serial no. 10/613,397, filed July 3, 2003. When the present application was filed on November 25, 2003, Applicant inadvertently omitted Fig. 1A. Applicant attempted to correct the omission by filing a Petition to File Omitted Items and Requesting the Later Filing Date on March 10, 2004. In a Decision Granting Petition dated April 22, 2004, the Office of Petitions granted Applicant the original filing date of November 25, 2003, and informed the Applicant to file a preliminary amendment requesting entry of Fig. 1A. As the Examiner can see, Fig. 1A is in the parent application and therefore no new matter is added.

Accordingly, Applicant respectfully requests the entry of Fig. 1A into the present application. Should the Examiner have any questions, the Examiner is invited to call the undersigned at (408) 382-0480x206.
